CLASS SURVEY – Using classroom language
(Tick all that apply in a given class. Add to the lists as needed)

1. PUPIL TALK (Age of class:……………………….)

Learners initiate communication in the target language in order to…	… ask the teacher questions *e.g. How do you say…?*	
	…ask for permission to do something *e.g. Can I open a window?*	
	…ask for help *e.g. Could you help me with this?*	
	…explain a problem they have *e.g. My pen's leaking*	
	…discuss their work individually with the teacher *e.g. Is this correct?*	
	…chat with the teacher *e.g. Did you see the match last night, Sir?*	
	…collaborate with other learners *e.g. Shall we work together?*	
	…chat to other learners *e.g. what time did you get home yesterday?*	
Learners initiate communication with the teacher in the target language… *(see above for examples)*	…all of the time	
	…most of the time	
	…some of the time	
	..occasionally	
	… hardly ever	
Learners initiate communication with each other in the target language *(see above for examples)*	…all of the time	
	…most of the time	
	…some of the time	
	…occasionally	
	…hardly ever	
Learners respond to teacher's communication in the target language…	…by carrying out instructions/behaving accordingly	
	…by answering teacher's questions in the course of a class activity	
Learners initiate communication in the target language only when required to in the course of a formal language activity		

2. TEACHER TALK (language…………………………………………………………………….)

I use the target language in order to…	…greet and dismiss the class	
	…give instructions for learners to follow	
	…carry out routine activities	
	…enforce discipline	
	…ask questions to check understanding, etc.	
	…work through activities in the text book or other resources	
	…teach specific points or give specific examples	
	...to correct mistakes learners have made in a TL answer	
	...to correct mistakes in learners' written work	
When organising the class and the work I use the target language…	…all of the time	
	…most of the time	
	…some of the time	
	…occasionally	
	…hardly ever	
When speaking to individual learners about their work or behaviour I use the target language…	…all of the time	
	…most of the time	
	…some of the time	
	…occasionally	
	…hardly ever	

Please copy the survey sheet as required and return completed copies or scans to Hilary McColl h.mccoll@clara.co.uk or by post to Hilary McColl, c/o Scottish CILT, Lord Hope Building, Room LH232, Level 2, 141 St James Road, John Anderson Campus, University of Strathclyde, Glasgow G4 0LT.
